NATIONAL ENGINEERING WEEK 2010

PEO Oakville Chapter &
Oakville Trafalgar High School Invite You To:

RENEWABLE ENERGY AROUND YOU!

What are the renewable energy resources around us? What can we do with the energy from the sun and the wind? Come join us in a day full of fun activities to learn more about Engineering and its role in the renewable energy resources.

Highlights

- Engineers Without Borders & renewable energy in Canada
- McMaster University Solar Car demo
- "Build Your Own Wind Turbine" competition

Awesome Prizes

Refreshments & Lunch Provided
